Walsall Police and School Panel

Dear Parents/Carers,

We wish to inform you that we are taking part in the Walsall Police and Schools Panel- an exciting project to help keep our children safe.

Senior school leaders will meet with local senior police officers each half term to discuss local issues and how we can work together to reduce crime and anti-social behaviour.

The police may share details of any dealings with our children in order for us, to help and support them and you as a parents to overcome any problems.

We see this as a very positive project to make our community a safer and happier place.

If you have any questions or need further information, please do not hesitate to contact school directly.

Yours sincerely

Mr Gilbert
Headteacher
