Friday 13th June 2025

Summer Term 2025 - Issue 14

## News and updates

As we start our final half term, we start to prepare for transition arrangements. Next week our new Reception parents will be able to attend a parent introduction meeting. The following week it will be the turn of the new Nursery parents to attend.

In the first week in July the Y6 children will attend their new high schools, and on Wednesday 2nd July children moving up to their next classes will meet their new teachers and spend the day in their new classroom. In the coming weeks we will confirm teachers for next year.

This week our Y1 children have completed their phonics screening check, and our Y4 children have completed their multiplication tables check. I would like to say a big well done to them all, they have not only worked hard this week, but have also worked hard leading up to this week.

## KS1 Seaside Visit

Today was due to be the KS1 visit to Barmouth, but with the unpredictable weather forecast earlier in the week, we felt that it was sensible to postpone. We have now set a new date on Monday 7th July, where fingers crossed, we hope for better weather.

## Football Friendly at Christchurch Primary School

Last week, I was able, with Mrs Wooldridge, to accompany a group of ten Y3 pupils for a football friendly tournament, against three other local primary schools. They showed great skill, determination and really enjoyed themselves, whilst also being sporting and kind. What super examples, well done to all the children that attended.

## Values awards

Below are the children that were selected by their teachers for showing one of our Abbey Values in the recent values assemblies, well done to them all!

### Forest School request from Mrs Sheargold

Mrs Sheargold has requested the following items to be brought to her or the office;

- Clear empty pop bottles
- Baked bins/soup/tinned potato cans (empty, clean and with no sharp edges)
